

Achieve™

Features

- Achieve offers a clean, contemporary design at a surprisingly moderate price.
- Achieve is versatile and perfect for numerous applications, including guest and lobby areas, meetings and conference rooms.
- Achieve is available with or without arms and offered with optional casters for convenient transport and storage.
- The concave back and contoured seat match the natural curves of the human body, combining comfortable ergonomic support with eye-catching contemporary design.
- The seat's waterfall design prevents contact pressure on the back of knees and thighs, resulting in a comfortably enduring sitting posture.
- The underside of the seat features an injection-molded shroud, which enhances aesthetics, function and stackability.
- The crossover pattern of the elliptical frame enhances Achieve's stylish look and provides increased strength.
- Achieve can be specified in both fabric and leather. Select Achieve's plastic back option in one of six designer colors for the ultimate in design and customization.
