AnytimeTM

Anywhere, any purpose, any budget

Features

- The multi-purpose Anytime chair is ideal for corporate, healthcare and educational environments where seating flexibility is a must. Use as a side chair or group Anytime together for efficiency that doesn't compromise design.
- Anytime features a contoured seat and back proportioned to provide a generous sit. A perforated polypropylene shell provides ventilation for a longer, more comfortable stay, and can be specified with upholstered pads for extra comfort.
- Anytime's tubular frame design comes standard with non-marring molded glides. Choose from a black or silver frame finish for a look that's versatile and always appropriate.
- Anytime is available in 6 designer colors, with or without arms and offered with optional casters. Ready to go anytime and anywhere you need it.

Frame finish options

Black

The Anytime frame is available in black for a handsome and distinguished look appropriate for any environment.

Silver

Choose a silver frame for a sleek, contemporary look that makes a striking and modern design statement.

Ganging options

Ganging (Arm to Arm)

Plastic gangers allow chairs to be easily ganged, maintaining consistent alignment.

Ganging (Armless to Armless)

Armless chairs may be ganged with equal ease, also allowing for alignment and efficient space planning.

Stacking options

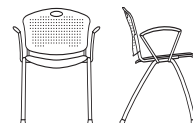

Stacking cart

Armless and arm models stack 8 high with Anytime's optional stacking cart, providing quick, easy, and efficient transport and storage.
