Features

- Census offers a wide variety of ergonomic functions and adjustments, making it more adaptable than any other chair in its price range.
- Census features both task and conference seating in multiple sizes, making Census appropriate for an unlimited number of applications.
- Census is available in over 270 textiles in 2 to 5 days, and offers 6 controls and 4 arm options, providing the ultimate in user flexibility.
- Customize Census by selecting a fabric, plastic or ballistic nylon back option making it a value-added addition to any workspace.
- Census' waterfall seat front promotes better circulation when seated for long periods.

Arm options

Fixed

Select a fixed arm structure with a soft urethane pad for comfort.

Conference

A streamlined loop design with a urethane coating and steel inner structure provides a soft surface with increased durability.

Adjustable or multi-adjustable

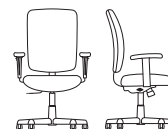

Select an adjustable arm with seven adjustments up 3".

Select a multi-adjustable arm with height adjustability up to 3" and width adjustability up to 1.75".

The arms are capped with a soft urethane pad for a comfortable, custom fit.
