Executive Chair

Featuring incredible comfort, intuitive ergonomics, high-back styling and clean aluminum accents, the Focus executive chair offers a substantial look that's perfect for any manager's office or conference room. It's easily customized— for your exact specifications. Choose from a variety of adjustable arm options, as well as just the right back style— including mesh and upholstered back. It's one smart and comfortable executive chair. For one distinguished environment.

Work Chair

The Focus work chair offers inherent design flexibility with its broad range of choices—including a slim-back design with multiple back style options and colors. Choose from mesh, upholstered or plastic backs— even an optional mesh headrest— to meet your every application or aesthetic need. Expand your creative choices with trusted fabric partners like Maharam, Momentum, DesignTex and Spinneybeck. It's a stunning choice that really stands out in a crowd.

It's all about full body support, natural movement and healthy circulation—in every position.

SLATE MESH BACK

Ergonomics / Comfort

When it comes to comfort, the Focus collection is truly unparalleled. The generous back mirrors the natural curvature of the spine, keeping the entire back well-supported. Our tight-weave mesh provides maximum air circulation and conforms to individual back shapes— evenly distributing body weight and eliminating pressure points with ease. The combination of back curve and mesh allows for flexibility and movement while providing a healthy upright posture for hours of comfort without the need for manual adjustments.

When you're ready to recline, the Enhanced Synchro tilt smoothly moves your back and seat together for optimal motion and comfort. Seat slider, back tension and lock positions are all easy to adjust to fit each individual's needs. The waterfall seat relieves pressure from the back of the legs, allowing for healthy circulation. Our design and use of quality materials provide a superb initial sit combined with unparalleled long-term comfort.

Sustainability

You can rest assured that every product SitOnIt makes is GREENGUARD and GREENGUARD Children & Schools certified, providing you with the confidence you need and the environmental stewardship you've come to expect.

Durability

Like all SitOnIt products, the Focus series is built to last. Every component meets and exceeds ANSI-BIFMA standards. Further protecting your investment is SitOnIt Seating's standard lifetime warranty, which helps ensure complete satisfaction for years to come.
