

# F/X<sup>TM</sup> Mesh Back

## Features

- New mesh back option provides form-fitting comfort and ergonomic support. The breathable mesh back not only adds a modern look and added support, but also stays cooler for longer task-oriented uses.
- The F/X mesh chair features all-day comfort for long-term seating with its enhanced foam construction.
- Choose the design aesthetic that fits your décor with more than 235 fabrics and 31 leathers for your custom upholstered seat.
- Select from 5 control options for optimum performance in any environment.
- Complement any décor by choosing from a variety of durable base options.
- Standard lifetime warranty on structural components and five year warranty on fabric, mesh and foam.

## Arm options

**Adjustable or adjustable with pivot**  
Select an adjustable arm with height adjustment up to 2.5" and an option of 15 degrees of pivot.

**Multi-adjustable or multi-adjustable with pivot**  
Select a multi-adjustable arm with 2.5" height adjustment, 1.5" width adjustment, and an option of 15 degrees of pivot.

## Upholstery options

**Mesh back**  
Black mesh offers an eye-catching, contemporary look.

**Mesh detail**  
The breathable mesh back complements a variety of fabric options and adds relaxing comfort.

## Base options

**Black resin**  
A black resin base features one-piece, reinforced construction for durability and a smooth ride.

**Brushed aluminum**  
The sleek brushed aluminum base can handle years of wear and resists scratches and abrasions.

**Polished aluminum**  
The high-profile, polished aluminum base resists scratches and abrasions.
