features

- Glove is top quality leather seating available to ship in five to ten business days from receipt of order.
- A transitional design makes Glove the perfect companion for traditional or contemporary offices.
- Simple ergonomics with choice of controls meet executive, conference, and task applications—knee tilt provides reduced rise of front seat edge, swivel tilt allows easy reclining or upright tasking, advanced synchro features 24-hour-use performance.
- Maximum comfort and support are achieved by combining an ergonomically designed one piece shell and soft, highly resilient foam. Glove's ultra-soft seat design cradles for comfort and fit.
- Lower back area is relieved with Glove's built-in lumbar support and the waterfall seat promotes circulation.
- Full range of leathers from the extremely soft full top grain european leather to contract grade top grain domestic leather.
- Extreme performance ballistic nylon, optional on Glove's rear shell, provides the durability of an external plastic shell with high design appeal.
