Midback

Control options

Multi-function (M)

Advanced synchro (A)

Intensive (I)

Swivel tilt (T)

- A**
Tension control
allows a firmer or softer recline
- B**
Forward tilt
puts you at the best task position
- C**
Infinite tilt lock
locks your chair in any position and free floats when unlocked
- D**
Pneumatic lift
easily adjusts to the perfect seat height
- E**
Adjustable back height
allows for custom lumbar support
- F**
Adjustable back angle
adjusts the angle of the back to a desired position for a more personal fit

Optional seat depth adjustment
(not visible in photo)
provides proper lumbar contact and lower body support

- A**
Tension control
allows a firmer or softer recline
- B**
Synchro tilt
opens the angle between the trunk and thighs to ensure correct posture and user comfort
- C**
Pneumatic lift
easily adjusts to the perfect seat height
- D**
Adjustable back height
allows for custom lumbar support

Optional seat depth adjustment
(not visible in photo)
provides proper lumbar contact and lower body support

Not available with the knit back option

- A**
Pneumatic lift
easily adjusts to the perfect seat height

locks your chair in an upright position for full tasking support

- A**
Tension control
allows for a firmer or softer recline
- B**
Tilt lock
locks your chair in an upright position for full tasking support
- C**
Pneumatic lift
easily adjusts to the perfect seat height

Features

- Leader is the perfect combination of high performance and high design.
- Its clean, contemporary look makes Leader the ideal chair for any modern office or conference room.
- Simple controls allow users to easily adjust and position the chair for maximum comfort.
- The sculpted seat enhances both aesthetics and ergonomics. The ultrasoft seat design cradles for comfort and fit.
- Leader provides a wide range of aesthetic options. The back allows for an all-fabric, all-leather, or knit back. For high performance applications, specify an optional ballistic nylon back on the all-fabric and all-leather versions.
- Choose from over 235 fabrics, 9 knit back colors, and 31 leathers to create your own customized look.

Upholstery options

Full leather
Choose all-leather upholstery for a sophisticated, upscale, luxurious look and feel.

Full fabric
When using the full fabric option, utilize solid patterns only.

Leather and ballistic nylon
This option, designed for durability, supports even the toughest use.

Fabric and ballistic nylon
This unique combination emphasizes performance and design.

Knit back
Knit back combines sleek contoured aesthetics with superior comfort and long-term support.

Arm options

Conference arm
This clean and contemporary C-arm design features a soft surface without compromising durability.

Adjustable or multi-adjustable (also available w/pivot)
Arms feature adjustments for ultimate keyboard support.

Adjustable and adjustable w/pivot:
2 ½" height adjustment

Multi-adjustable and multi-adjustable w/pivot:
2 ½" height adjustment
1 ¾" width adjustment

Base options

Black resin
Reinforced construction for durability and a smooth ride.

Brushed aluminum
The sleek brushed aluminum base can handle years of wear.

Polished aluminum
The high-profile, polished aluminum base resists scratches and abrasions.
