Non-Stop Heavy Duty

Generous fit, solid steel strength, remarkable comfort

Non-Stop Heavy Duty can be specified with a seat/back size to accommodate weight up to 350 pounds (Size 1 and 2) or up to 500 pounds (Size 3).

Seat pan and mechanism are mounted to a 7-gauge steel plate for additional strength. Ergonomically sculptured foam seat and back cushions, available in more than 235 fabric and 31 leather choices, are sure to complement your space.

A steel height adjustment unit is securely bolted to a reinforced 7-gauge steel plate. Non-Stop Heavy Duty offers a 10-year, three-shift warranty on all structural components.

The 7-gauge steel arm bracket runs across the all-steel seat pan and is firmly attached to withstand the continual demands of high-traffic, 24x7 work environments.

Three 27-inch base options include black resin, black painted aluminum, or polished aluminum.

Arm options

Fixed loop

A fixed height, streamlined design, with a soft warm-to-the-touch urethane surface.

A large loop arm, rated up to 500 pounds, is available exclusively for Non-Stop Heavy Duty size 3

Adjustable or multi-adjustable with pivot

Features up to three adjustments for ultimate support.

- Pad pivots 15°
- 2.5" height adjustment
- 2" width adjustment

Adjustable breakaway

Offers all the benefits of the multi-adjustable. Folds down for fast and easy in-and-out access.

- Arm folds down 90°
- 3" height adjustment

Base options

Black resin

Black resin base features one-piece reinforced construction for durability and a smooth ride.

Black aluminum

Black cast aluminum base endures wear and tear with a distinguished look appropriate for all environments.

Polished aluminum

Sleek polished aluminum base endures years of wear and resists scratches and abrasion.

Control options

Size 1 and 2

Heavy Duty Swivel Tilt (T2)

A

Pneumatic lift
easily adjusts to the perfect seat height

B

Tension control
for a firmer or softer recline—the knee tilt keeps feet flat on the floor when reclining

C

locks the chair in an upright position for full tasking support

Heavy Duty Multi-Function (M)

A

Pneumatic lift
easily adjusts to the perfect seat height

B

Tension control
for a firmer or softer recline—the knee tilt keeps feet flat on the floor when reclining

C

Infinite tilt lock
locks the chair in an upright position for full tasking support

D

Internal click-click back height adj.
allows for custom lumbar support

E

Adjustable back angle
adjusts the angle of the back to a desired position for a more personal fit

F

Forward tilt
locks the chair in any position and free floats when unlocked

Size 3

Heavy Duty Advanced Synchro (A2)

A

Pneumatic lift
easily adjusts to the perfect seat height

B

Tension control
for a firmer or softer recline—the knee tilt keeps feet flat on the floor when reclining

C

Infinite tilt lock
locks the chair in an upright position for full tasking support

Heavy Duty Dual Torsion (DT)

A

Pneumatic lift
easily adjusts to the perfect seat height

B

Tension control
for a firmer or softer recline—the knee tilt keeps feet flat on the floor when reclining

C

Infinite tilt lock
locks the chair in an upright position for full tasking support

Non-Stop Everyday

Amazing fit, exceptional durability, entirely dependable

Arm options

Fixed loop

A fixed height, streamlined design, with a soft warm-to-the-touch urethane surface.
