Conference midback

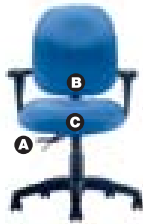

Control options

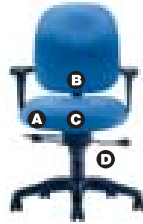

Basic task (B)

- A**
Pneumatic lift
adjusts easily for the perfect seat height

Posture back (P)

- A**
Pneumatic lift
adjusts easily for the perfect seat height
- B**
Adjustable back height
for custom lumbar support
- C**
Adjustable back angle
adjusts angle of back for personal fit

Intensive (I)

- A**
Pneumatic lift
adjusts easily for the perfect seat height
- B**
Adjustable back height
for custom lumbar support
- C**
Separate back and seat adjustment
positions the seat and back for a personal fit, providing good value for task-intensive environments
- D**
Back angle adjustment
positions the angle of the back independent of the seat

Rocking task (R)

- A**
Pneumatic lift
adjusts easily for the perfect seat height
- B**
Adjustable back height
for custom lumbar support
- C**
Adjustable back angle
adjusts angle of back for personal fit
- D**
Tension control
for firmer or softer recline
- E**
Tilt lock
locks chair in upright position for full tasking support

Multi-function (M)

- A**
Pneumatic lift
adjusts easily for the perfect seat height
- B**
Adjustable back height
for custom lumbar support
- C**
Adjustable back angle
adjusts angle of back for personal fit
- D**
Tension control
for a firmer or softer recline
- E**
Infinite tilt lock
chair can be locked in any position and free floats when unlocked
- F**
Forward tilt
adjusts to the best task position

Advanced synchro (A)

- A**
Pneumatic lift
easily adjusts to the perfect seat height
- B**
Adjustable back height
allows for custom lumbar support
- C**
Tension control
provides for a firmer or softer recline—multiple settings allow fingertip adjustment
- D**
Synchro tilt
opens the angle between the trunk and thighs to ensure correct posture and user comfort

Swivel tilt (T)

(also available on 40 & 40e models)

- A**
Pneumatic lift
easily adjusts to the perfect seat height
- B**
Tension control
for a firmer or softer recline
- C**
Tilt lock
locks your chair in an upright position for full tasking support

Knee tilt (K)

- A**
Pneumatic lift
easily adjusts to the perfect seat height
- B**
Tension control with knee tilt
for a firmer or softer recline—the knee tilt keeps feet flat on the floor when reclining
- C**
Tilt lock
locks your chair in an upright position for full tasking support

Upholstery options

Full fabric

Select from hundreds of textiles for a customized look.

Fabric and ballistic nylon

This unique combination adds durability, emphasizing both performance and design.

Fabric and plastic

This combination increases durability.

Leather Grade 1 and vinyl All vinyl

Communicates a sophisticated, upscale look and feel.

Base options

Black resin

A black resin base features one-piece, reinforced construction for durability and a smooth ride.

Brushed aluminum

Base can be specified in brushed aluminum, which handles years of wear and resists scratches and abrasion.

Arm options

Armless

Go "armless" for complete flexibility and increased affordability.

Fixed

Select a fixed arm structure with a soft urethane pad for comfort.

Loop

The look of a traditional loop design on a task or executive chair, offering a urethane coating for a soft, warm surface.

Conference arm

A streamlined loop design with a urethane coating and steel inner structure provides a soft surface with increased durability.

Adjustable or multi-adjustable

Select an adjustable arm with seven adjustments up to 1.75".

Select a multi-adjustable arm with height adjustability up to 1.75" and width adjustability up to 1.25".

The arms are capped with a soft urethane pad for a comfortable, custom fit.

Adjustable or multi-adjustable w/pivot

The adjustable arm features height adjustability up to 2.5", while the multi-adjustable option combines height adjustability with width adjustment up to 2". Both structures are capped with a pivoting arm pad with three adjustments for ultimate keyboard support.

Features

- TR2 features a standard internal back height adjustment, which specifically targets the lumbar area for support. Easily adjusted from a seated position, the internal back height mechanism also provides a cleaner appearance.
- TR2 offers more ergonomic functions and more comfort than any other chair in its price range.
- TR2's solid affordability is a sound investment in today's fluctuating business environment.
- TR2 is available in over 270 textiles in 2 to 5 days. Choose from optional electrostatic discharge (ESD), 24-hour Multi-Shift (HD) and TB 133 option upgrades.
- 8 mechanisms are available to satisfy the needs of a variety of environments.
- TR2's waterfall seat front promotes better circulation when seated for long periods.
- A multi-layer seat cushion gives a more customized fit and features a top layer visco-elastic gel foam for all-day comfort.
- A Lifetime Warranty is offered on all structural components, five years on fabric and foam.
